WINEMAKING

Aduentus Classic is a Bordeaux-style blend whose gorgeous color, a rich garnet with glints of inky black, provides an immediate clue to the varietal whose predominance gives the finished wine its Argentinean twists. Malbec, this Argentinean signature red grape, enjoys optimal growing conditions in our vineyards high above the Uco Valley, as do Classic's supporting players, Merlot and Cabernet Sauvignon. At our winery, the harvests of each varietal were gently crafted into exquisite wines before being artfully blended into this delicious vintage.

TASTING NOTES:

"Ruby red color, intense and bright. Great aromatic complexity, with notes of black fruits, anise, white pepper, spices, mint, pepper, coconut, chocolate and dulce de leche. To the palate excellent structure and complex elegance".
