ANTIGAL UNO CHARDONNAY

2019
Mendoza, Argentina

WINEMAKING

Cool mornings and evenings in high-elevation vineyards allowed the Chardonnay grapes used for the 2019 vintage to develop ripe flavors while retaining balancing acidity. At Antigal's gravity-fed winery, great care was taken to protect the freshness of the fragile hand-harvested fruit. Brief maceration of selected clusters preceded gentle pressing and added to the roundness of the finished wine.

TASTING NOTES:

“Yellowish-green color with hints of gold. Intense and fruit-forward aromas of pineapple, peach and apricot. With its great acid balance, this wine is fresh and elegant in the mouth yet offers satisfying volume.”
